History of the Common Council of the City of Indianapolis

Indianapolis was established as a town in 1821. It was at this time that a commission, appointed by the legislature, selected this location as a site for a seat of government of the State of Indiana.

The town of Indianapolis conducted its affairs pursuant to the general laws of the state until 1832. In this year the town was incorporated and was governed by a board of five trustees.

In 1838, pursuant to a special act of the legislature, Indianapolis was re-incorporated and placed in the hands of its first town council composed of a president and six members.

The common council continued in a large measure to control the affairs of Indianapolis as a town and as a city under various so-called charters or grants of the legislature until 1891.

Under a special act of the legislature of 1891 for the city of Indianapolis, a somewhat different form of government was established. While the council continued to exercise broad control over the city's affairs, various executive departments of the city were provided, such as Public Works, Public Safety, Public Parks and Public Health, conducted by boards appointed by the Mayor. These boards were granted specific powers and duties concerning the city's business previously exercised by the council through committees subject, however, in some cases to approval of the council in all matters of expenditure of money and appropriation of funds by the council.

For some time prior to 1891 the City of Indianapolis was divided into 25 wards represented by 25 ward councilmen. Their term of office was two years and they were eligible for re-election. At this time there was also a separate body operating in conjunction with the council called the Board of Aldermen, composed of ten Aldermen, representing five Aldermanic districts, two being elected from each district.

Under the 1891 act the Board of Aldermen was abolished and a common council of 21 members was established. Fifteen members

were elected to represent 15 wards and six members were elected to represent the city at large.

This form of council continued to exist in Indianapolis under the general cities and towns act of 1905. The act of 1905, while often referred to as the Indianapolis Charter, is very largely a re-enactment of the 1891 Indianapolis charter, modified to make the Indianapolis system applicable to all classes of cities of the state. The 1905 law increased the term of Mayor and councilman to four years and prohibited re-election.

In 1909 a novel councilmanic law for Indianapolis alone was passed by the legislature. This law limits the number of councilmen to nine. The law provides for the nomination by each party of six candidates, one from each of six councilmanic districts. In the election all of the voters of the city may vote for any nine candidates and the nine receiving the highest number of votes are elected. This law insures a minority representation in the Council of at least three members. In 1949 the legislature amended the statutes to permit councilmen to succeed themselves.

INTRODUCTION OF RESOLUTIONS

By Councilman Wallace:

RESOLUTION NO. 1, 1956 (As Amended)

A RESOLUTION electing coverage by the employees of the City of Indianapolis, a political subdivision of the State of Indiana, as provided by Chapter 313 of the Acts of the General Assembly of the State of Indiana, 1951, as amended; and providing for notice of withdrawal by the City of Indianapolis from further participation in the Public Employees' Retirement Act as administered by the State of Indiana; and fixing a time when said resolution shall take effect, and repealing and superseding Resolution No. 1, 1955.

WHEREAS, pursuant to a referendum as provided for by Section 9 of Chapter 329 of the Acts of the General Assembly, 1955, a ma-

jority of the employees who are presently participants under the Public Employees' Retirement Act desire to participate under the Federal Old Age and Survivors' Insurance Program, and

WHEREAS, a preliminary survey was made by the State Agency of the Old Age and Survivors' Insurance Program, which State Agency has reported that the estimated employer's cost of coverage in the Old Age and Survivors' Insurance Program will be equal to approximately 2.10 per cent of the total salaries and wages to be paid for the year 1957, and

WHEREAS, it is the desire of the Common Council of the City of Indianapolis to withdraw from further participation under the Public Employees' Retirement Act;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. The City of Indianapolis, Indiana, hereby elects coverage under the Old Age and Survivors' Insurance Program as provided by Chapter 313 of the Acts of the General Assembly of the State of Indiana, 1951, as amended, and as they may be amended and as the same may be implemented by regulations of the State Agency.

Section 2. All positions under the government of the civil City of Indianapolis, Indiana, shall be covered except (1) all services of an emergency nature, (2) part-time positions, (3) positions, the compensation for which is on a fee basis, (4) Members of the Police and Fire Departments.

Section 3. For the purpose of carrying out the provisions of Title 11, Sec. 218 of the Federal Social Security Acts and Amendments thereof this Agreement entered into between the State Agency with the approval of the Governor and the Social Security Administrator is made a part of this Resolution and shall constitute an integral part of the Federal agreement between this political subdivision and the State Agency and shall become a part of the agreement on modification of the Agreement between the State and the Social Security Administrator. The Common Council of the City of Indianapolis hereby agrees that it will perform the obligation of a political subdivision under said (Federal-State) agreement and Chapter 313, Acts of 1951, as amended, and as they may be amended, and as they may be implemented by regulations of the State Agency.

Section 4. The Board of Trustees of the Public Employees' Retirement Fund are hereby advised that the City of Indianapolis desires to withdraw from said Fund pursuant to the terms of Chapter 340 of the Acts of the General Assembly of the State of Indiana, 1945, as amended.

Section 5. As a plan of operation it is ordained by the members hereof that the Mayor and City Controller shall place in the annual Budget for 1957, to be prepared in 1956, a fund equal in amount to match employee contributions as required by Employers under the Federal Social Security Act. That the amount required under the law for the Public Employees' Pension Fund for said year be also so included. Further that said sums be raised by a general property tax levy in 1957. That the State Agency for Federal Social Security certify to the City of Indianapolis, the amount necessary for Social Security coverage for the calendar year of 1957 prior to July, 1956, including detailed accounting of the amounts necessary to bring about the integration of the Employees' Pension Fund with the Federal Social Security Program. That active coverage under the Federal Social Security Act shall become effective January 1, 1957, for affected employees of the City of Indianapolis.

Section 6. The effective date of this resolution insofar as active Social Security coverage is concerned is not practicable or feasible earlier than January 1, 1957, for the following reasons:

That no plan of operation, nor designation of payment sources, or agreement by the City of Indianapolis and the State Agency for Social Security was entered into during 1955, nor as yet in the year 1956. That no money was appropriated for the City's contribution to the Social Security Fund for either 1955 or 1956. That Resolution No. 1, 1955, was passed after final Employees payroll for 1955 was made up and after said Employees checks were issued, so that no Employees contributions were collected, nor were any City general funds available for contribution to the Social Security fund. That there also exists the problem of integrating the Public Employees' Pension fund with Social Security. That a plan effective January 1, 1957, is the only fiscally responsible or operationally workable method open to the City of Indianapolis for affording its employees coverage under the Social Security Program.

Section 7. Resolution No. 1, 1955, is hereby repealed and superseded by this Resolution.

Section 8. This resolution shall be in full force and effect from and after its passage and approval by the Mayor except that active coverage under the Federal Social Security Act shall not be effective until January 1, 1957. The City Clerk is directed to certify a copy of this Resolution to the State Agency for Social Security in the State of Indiana and to request that an agreement be forwarded to the City of Indianapolis for execution in accordance with the plan set out in this resolution.

Which was read for the first time and referred to the Committee on Finance.

Subject ordinance, was given a public hearing after due public notice by the City Plan Commission at its meeting April 27, 1956, resulting in unanimous approval by the Commission, which therefore requests and recommends that this ordinance be passed as herewith submitted.

The zoning proposed is chiefly for U1 or Dwelling House, with A2 or 4800 Square Feet Area and H1 or 50 Feet Height, except for the lots fronting along Kessler Boulevard and in Oakridge Addition, which are proposed for A1 or 7500 Square Feet Area. Two limited areas are proposed for U2 or Apartment House, one lying west of the shopping center at 52nd and Keystone, up to 54th Street, and one adjoining the east side of the industrial area next to the Monon Railroad north of 52nd Street. U3 or Business is proposed in the same areas as were previously established by Marion County at 54th Street and the Monon R. R.; at 54th and Keystone, and at 56th and Key-

stone, with some enlargement of the shopping center between 52nd and 54th Streets, U4 or First Industrial zoning is proposed for the area next to the Monon from 52nd to 54th Street, presently occupied by industry, with limited expansion to the east of the central portion of that area.

SPECIAL RESOLUTION NO. 2, 1956

WHEREAS, INDIANAPOLIS TRANSIT SYSTEM, INC. IS SEEKING A RATE INCREASE, effecting particularly children of school age and our Mayor, Phillip L. Bayt, opposes this, and has directed the City Legal Department to appear as public representatives at the rate hearing, and

WHEREAS, THE MEMBERS OF THIS COMMON COUNCIL BELIEVE, if Indianapolis Transit System, Inc., quickened its time schedule and increased its services and really acted in the public interest, it would need no rate increase. WHEREAS, INDIANAPOLIS TRANSIT SYSTEM, INC. seeks to charge against the rate payers of this city equipment long since worn out and seeks to draw a profit from our fellow citizens by bookkeeping items, rather than by good transportation services, and further

IT APPEARING THAT THERE IS YET TIME FOR THE RESPONSIBLE OFFICERS of Indianapolis Transit System, Inc., to cooperate with this administration, abandon its rate petition, and improve its service, and increase its revenues, and develop a true spirit of service,

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, that a copy of this resolution be sent to Indianapolis Transit System, Inc., in the hope that said corporation will abandon its unjustified rate petition, and cooperate with this administration to increase its revenues without increasing its rates; that if it does not the Executive Department of the City should seek an appropriation, if the need arises, for accounting, appraisal, or extra legal services, to resist the rate petition of Indianapolis Transit System, Inc.

He also suggested that the Council might consult with other Metropolitan Cities that have this program in operation, as to the effectiveness of such a survey. He stated too, the importance of planning for progressiveness in this survey, and not merely outlining and programming.

AN ORDINANCE of the City of Indianapolis, Indiana, appropriating the sum of Nine Hundred Thousand Dollars (\$900,000.00), to pay the cost of the construction of the East Michigan Street Relief Sewer, Section 1.

WHEREAS, the Board of Public Works of the City of Indianapolis, Indiana, has found and determined that it would be for the best interests of said City and its citizens to construct the East Michigan Street Relief Sewer, Section 1, and has further determined and estimated the cost of such improvement, including incidental and preliminary expenses necessarily incurred in connection therewith, including the issuance of bonds on account thereof, will be in the approximate sum of Nine Hundred Thousand Dollars (\$900,000.00), and

WHEREAS, said Board of Public Works adopted a resolution requesting an appropriation in the amount of Nine Hundred Thousand Dollars (\$900,000.00) for said purpose, which request has been approved by the City Controller with the recommendation that the funds necessary to cover such appropriation be obtained by the issuance and sale of general obligation bonds of the City, and

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. Which was read for the first time and referred to the Committee on Finance.

INTRODUCTION OF GENERAL ORDINANCES

By Councilman Wallace:

GENERAL ORDINANCE NO. 115, 1956

AN ORDINANCE of the City of Indianapolis, Indiana, authorizing the issuance and sale of bonds of said City, designated "City of Indianapolis Sewer Bonds of 1957, First Issue", including all matters pertaining thereto, and fixing a time when the same shall take effect.

WHEREAS, on the 13th Day of September, 1956, the Board of Public Works of the City of Indianapolis adopted Miscellaneous Resolution No. 589, 1956, Duly spread of record on the minute book of said Board, providing for construction of the EAST MICHIGAN STREET RELIEF SEWER, Section 1, as more particularly described in said resolution, and

WHEREAS, on the 25th day of October, 1956, the said Board of Public Works adopted "Supplemental Resolution to Miscellaneous Resolution No. 589, 1956," providing that the necessary procedure under the law be carried out to acquire funds in the amount of \$900,000.00, the same being the City Civil Engineer's estimate of the cost of construction of said sewer, and

WHEREAS, there has heretofore been filed with the Common Council petitions bearing the signatures of more than fifty (50) persons owning taxable real estate in the City of Indianapolis, Indiana, requesting the Council to authorize the issuance of bonds of the City of Indianapolis in the amount not exceeding the sum of \$900,000.00 to provide funds for the construction of said sewer.

the present East Michigan Street Sewer, which was built about fifty years ago, is inadequate to provide the necessary drainage in said area, resulting in recurrent floods of increasing severity and damaging effect, and

WHEREAS, it is by the Common Council deemed necessary and proper that such condition be remedied as quickly as possible and that the recommendation of the City Civil Engineer for the relief of said condition by the construction of said EAST MICHIGAN STREET RELIEF SEWER, Section 1, as approved and adopted by said Board of Works in said Miscellaneous Resolution No. 589, 1956, and its resolution supplemental thereto, should be carried into effect as soon as possible by the construction of said relief sewer, the estimated cost of said sewer being Nine Hundred Thousand Dollars (\$900,000.00) as shown by said resolution and said City Civil Engineer's estimate, and

WHEREAS, it will be necessary for the City of Indianapolis to borrow the sum of Nine Hundred Thousand Dollars (\$900,000.00) in order to secure a fund for the purpose herein set out, and to issue its bonds for said amount as evidence of its obligations, to be repaid from levies of taxes therefor as may now or hereafter be provided by law.
